WAVERTON HOUSE

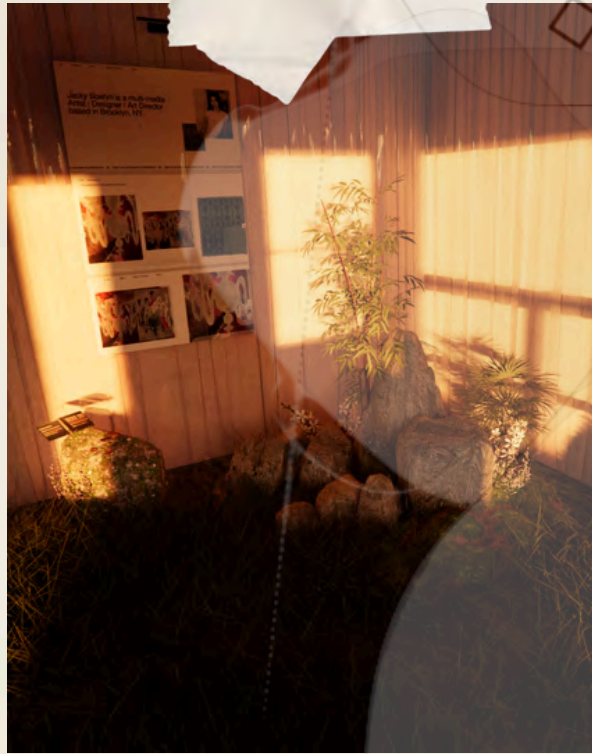

The Vessel—a rhythmic, monolithic volume designed to hold the intangible. It is not merely a residence, but a sensory container that gathers the movement of light, the weight of silence, and the passage of time.

GRADUATION EVENT

presents how students grow and develop during their journey. Just like a plant starts as a small seed and grows into something strong and beautiful, students embark on a journey learning the basics and eventually 'bloom' as graduates ready for the future. The graduation celebrates this moment where all their hard work finally

CHELTHAM

SIENNA WALKER

I am Sienna, a driven designer with a passion of creating spacial narratives informed by human experience. To me, Design is more than aesthetics and function. It is the art of storytelling through space. My love of design has grown from doing a Certificate 3 while in high school and pursued my passion in design and continuing onto doing my Certificate 4 and then Dimploma.

GRADUATION EVENT

Bloom

Bloom represents how students grow and develop during their time studying. Just like a plant starts as a small seed and slowly grows into something strong and beautiful, students begin their journey learning the basics and eventually “bloom” into skilled graduates ready for the future. The graduation event celebrates this moment where all their hard work finally blossoms.
